Blacktown City Council congratulates participants, supporters and friends of the 2014 NSW Police Games.

It was a great honour for Blacktown City to host the 30th annual NSW Police Games from Saturday 15th March - Sunday 30th March, 2014.

The Police Games once again provided the community with the opportunity to welcome competitors, supporters, and friends to Blacktown City and to share in the fun, fitness, camaraderie and spirit at venues throughout the city.

It was also a wonderful opportunity for the community to show support for the important and tireless contribution made by members of all services who worked toward making our society a better place to work.

Congratulations to the NSW Police Games Committee and to everyone involved in the 2014 NSW Police Games. It was wonderful to see such a range of events on offer and a high standard of competition in a challenging environment.

We wish the NSW Police Games every success for the future.

Yours in Sport

SUPPORT SPONSORS

The NSW Police Games in 2014 celebrated 30 years. This is a fantastic milestone, given that it is one of a few multi-sport events held around Australia.

Open to all emergency services and immediate family the Games continue to be about fitness, having a great time & meeting people from other agencies.

Held in one of the state's most popular areas, Blacktown City, the Games participants enjoyed competing at world-class sports and leisure facilities and venues, such as Blacktown Olympic Park and Blacktown Leisure Centre, Stanhope.

These facilities are not found anywhere else in the state, so on behalf of the NSW Police Council of Sport and the NSW Police Games Committee; I wish to thank the Mayor of Blacktown City, Councillor Len Robinson and his staff for their support of this event over the past twelve years.

Thank you to the NSW Police Games Sport Co-ordinators for their time and effort in hosting their event. Thank you to Multi-Sport Australia and to Noel Gilbert (Central Media) for the professional publications – Registration and Results Book that are published yearly.

Finally, thank you to our major sponsor the Police Bank, for your continued support over the past twelve years. We thank you for extending your support this year and hope to see this relationship continue for many years.

The NSW Police Games in 2015 is being held for the first time ever outside the Sydney metro area – Wollongong. We hope to see all previous competitors and lots of new faces participate. The 2015 NSW Police Games will be held from Saturday 14th March - Thursday 19th March in Wollongong. For more information head to www.nswpolicegames.com.au

ANGLING

The angling event for the 2014 NSW Police Games was proudly hosted by the NSW Fishing Club Inc. The event was again held on the waters of the Shoalhaven and Crookhaven Rivers and to Sea. Greenwell Point was the base for the event and again proved to be a prime location. The competition ran over 48 hours from 12md on Sunday 16th to 12md on Tuesday 18th March 2014. Competition catered for anglers fishing Deep Sea, Estuary and Land based (Rock & Beach).

50 anglers registered for this year's event, who fished alongside 6 of our Junior Anglers. These junior anglers took senior medals just to remind the old salts they are not to be ignored when it comes to competition. The same is to be said for our lady anglers who once again handed it to some of the blokes. The weather and tides played a major factor in this year's event with all anglers who fished in 2013 finding the fishery different this year. Although the mornings started off in perfect conditions unseasonal north easterlies changing to strong westerly winds combined with the large tides made concentrations of fish hard to find. Areas that were productive last year did not produce this year. This saw the anglers moving position in the search of fish. Many anglers ended up fishing up the Shoalhaven arm of the system.

The majority of anglers caught fish, although numbers were down on last year. Making up for this the quality of fish was an improvement on last year. A catch and release format was utilised with the majority of fish caught returned to the water.

Although the high winds hampered the offshore anglers a number of boats managed to go to sea. Their results were mixed with most fishing the close in more sheltered waters.

The results were as follows:

Most Successful Offshore

Stuart McPherson (Corrective Services) with 487 points

Runner Up Offshore

Michael Allen (Corrective Services) with 379 points

Third Place Offshore

Steve Sheather (NSW Police) with 121 points

Teams Event:

The RSPCA came a close second with 203 points, followed by the Public Service with 148 points. Council Rangers came in fourth with 134 points, followed by NSW Police in fifth with 117 points. Sixth on 91 points was the Salvation Army Chaplaincy. The NSW Police Fishing Club is pleased to welcome the new competitors that have not been to the Games previously and look forward to seeing them again in 2015. The Angling component of the 2015 Games will again be based at Greenwell Point with the Games moving to Wollongong.

A special thank you goes to the management and staff of the McGrath Hills BCF Store, who attended this year's event and provided entertainment with a casting competition and product give a ways for competitors. Tackle World, Nowra supported anglers with advise and discounts on their tackle requirements. Also the NSW Police Council of Sport Inc. and the NSW Police Games Inc. for their financial and moral support. All in all the 2014 angling event was a great success and those attending are now eagerly awaiting the 2015 event.

Another fantastic day was had by all. No special guests this year, we were hoping Glen McGrath would be back but his schedule wouldn't allow it.

It was pleasing to see nearly all the services represented – Police, Ambulance, Fire Service, Corrections, Customs and Army. Fraser Hindry proved that all Furies don't go to the gym and are buff! He shoots extremely well. The Busst family again regaled us with a BBQ fit for royalty.

NSW corrections are increasing their numbers each year, its great to see. As for furthest travelled, Ian Davis wins again, our Victorian Police Colleague again travelled up for the day from Ballarat!

30TH NSW POLICE GAMES

Road Race – Penrith International Regatta

40 riders attended the start on a beautiful sunny morning with no wind to hinder the riders. This year we decided to send the old boys (over 40's) off first mainly because they always seem to catch the young pups. Two minutes after the over 40's left the under 40's were on their way.

It became obvious within the first 5 km's of the 40k race that it was not going to be a stroll in the park with Lang and Noolan going off the front and breaking away from the peloton. These two men then worked well together and were able to stay off the front to the finish unchallenged.

The peloton just couldn't co-ordinate themselves in time to haul them in. The race was at a good pace with the front group finishing with an average speed of just under 40 k/p/h. With the old boys running at this pace the young pups didn't stand a chance of catching them.

There was one notable effort from the young pups when Belly attacked at the 30km mark and was off the front for a lap but with no-one to work with he slowly came back to the bunch.

In the ladies, it was another Beer V McCartney affair. This time Beer got the better of latter to finish strong in the road race.

FUN RUN/WALK (3KM & 8KM COURSE)

Fun Run (8km & 4km) and Walk (4km)

On Saturday 22nd March, 2014 when I arrived to set up the weather was threatening to totally ruin the event. To the North, West and South the rain had commenced, however, we managed to complete our event and enjoy our BBQ before the heavens opened up.

A small number of participants were involved however, the aim of this event is to have fun and to enjoy yourself and this did occur.

A very big thank you must go to Stan Stark, Athletics NSW Official Timer, who after officiating for the whole day at the Athletic events, presided over the timing duties for this event. Mark Gibson from Blacktown Council was our drinks marshall and preformed this job to perfection. Thank you Mark.

HALF MARATHON (21.1KMS)

Thursday 27th March 2014 was very wet and the blustery cold wind gave all the participants and volunteers the desire to be elsewhere especially at 6am. The picturesque location of Botany Bay couldn't improve the mood of everyone, however the event must go on. The wonderful volunteers were suitably attired for a very miserable morning and conveyed to their desired locations; the participants prepared themselves by eventually removing their warm clothing and after the briefing, the race was commenced.

The beautiful and scenic Botany Bay foreshore was truly magic. The route to the south ensured they twice crossed the Captain Cook Bridge, then all the way to the Sydney International Airport before returning to Peter Depena Reserve and the warmth of the BBQ within a picnic shelter.

This event is very volunteer intensive, I know that the participants and myself as the Coordinator, wish to thank everyone of them braving the terrible conditions in assisting to make this an successful event. After the event all persons enjoyed a wonderful BBQ breakfast cooked by the NSW Police who came down to "officiate at the event".

Trophies: (winners were not eligible for the Age Divisions)

1st Male:	Adam JORDAN	(1:21:28)
1st Female:	Sinead HARPER	(1:39:29)

MOUNTAIN BIKE RACING

Cross Country Mountain Bike Race – Yellowmundee.

25 riders took on this year's gruelling 7 kilometre course. The course involved 4 laps of technical climbs, river crossings, bumpy descents and fast flowing single track. From the onset there was a cracking pace set by Fire Fighter James Boland and the Police Steve Bell. These two riders were the only two riders to go under 18 min laps. They were so fast that in fact Boland and Bell finished their fourth lap just minutes off some riders who were completing just their second.

All riders performed on the day did themselves proud especially the ladies who continued to battle with each other throughout the entire race, with McCartney just getting the better of Beer in the end.

The outright winners were as follows: 1st Boland (Fire) 2nd Bell (Police) and 3rd Fraser (Fire). See the below table for all age group results.

30TH NSW POLICE GAMES

NETBALL (WOMEN'S)

The NSW Police Netball Club held their annual netball competition on Saturday 22nd March 2014 at the Blacktown Leisure Centre Stanhope, Blacktown.

At the commencement of 2014 there was a great deal of interest from participants and as a result of these enquiries I anticipated about 8 teams would compete in the NSW Police Games (as a warm up for the AP&ES Games later in the year). Unfortunately as the date got closer a number of the teams withdrew from the competition. This inevitably resulted in the lowest number of teams participating in the NSW Police Netball Games since I had commenced organising this event some 30 years ago.

In total there were 4 teams participating in this years competition, two teams from Corrective Services and two NSW Police teams.

The Castle Hill Police team went through the competition undefeated and inevitably won the gold, with a team from Newcastle Local Area Command "Pink Caviar" taking

the silver. The two Corrective Services Teams played each other with "Girls Doing Time" taking the Bronze Medal narrowly against "South Coast".

Although on the day of the competition we had a couple of injuries, after some medical assistance all the girls recovered with little or no serious injury.

The Netball Club is now looking forward to and encouraging teams to organise participants for the next Police Games to be held in Wollongong in 2015.

PISTOL

The Pistol shooting event was once again contested at the Blacktown Pistol Club on Saturday the 16th March. A lot of new faces bolstered the numbers. It would appear younger shooters are once again competing in the games which is a real turnaround from years gone by. This was great for the contesting of medals within the shooting ranks.

The day started very pleasantly with cooler temperatures and then heating up in the afternoon to 30 degrees plus. So with the weather heating up, so to were the competitors who were all battling for the top places. Just after the last shots were fired the heavens opened and we conducted our medal presentations, undercover.

A number of shooting age categories had extremely close scorings, with only 1 or 2 point separating 3 shooters, for placing. With some 35 shooters competing in all age categories, it was great to see so many familiar faces again.

A great day was had by all. I thank our VIP's for their assistance in scoring and other shooters in assisting in the days activities. Without your help it would not be such a great day. Next year if you're thinking of competing "DO". Pistol 2015 heads to Wollongong.

SAILING

On Monday, 17 March, 2014, through to 19 March, 2014, the NSW Police Sailing Club held it's annual Sydney Regatta in conjunction with the NSW Police Games 2014 at the Middle Harbour Yacht Club, which it has been doing since 1985.

Ten yachts from as far as Newcastle in the north and Botany Bay in the south were used to race in three divisions. Vessels ranged from 30 foot to 47 foot in length. This enabled over 50 competitors from as far away as Coolongatta and Melbourne to compete.

Agencies represented included but not limited to: NSW Police, NSW Ambulance, NSW Fire, NSW Rural Fire, Aviation Rescue Fire Fighting Service, NSW Corrective Services and RAAF.

This Regatta comprised of seven races over three days, which allowed the fleet to race on the best harbour in the world and view close up Sydney Harbour Bridge, Sydney Opera House, Fort Denison, South Head... At the end of Monday and Wednesday racing a BBQ was held at Middle Harbour Yacht Club and on Tuesday night the annual dinner was held overlooking the waters of Middle Harbour & The Spit at MHYC.

On the last day it was organised through NSW Police Legacy that a family who had lost a father and a member of the NSW Police Force were able to "crew" on two yachts and enjoy the excitement and competitiveness of yacht racing and the friendship on board.

A fundraising raffle for the NSWPSA was also held during the regatta with prizes from Boatie Afloat, Bourke Marine and Signal One. Their generosity and the assistance from NSW Police Games Committee and Middle Harbour Yacht Club enables the NSW Police Sailing Club to continue to hold such wonderful events.
