- **Showmanship at Halter** – It involves a person on the ground leading a horse, wearing a halter or bridle, through a series of manoeuvres called a pattern. The horse itself is not judged on its conformation. Rather, the exhibitor is judged on how well he or she exhibits the animal to its best advantage, with additional scoring for the grooming and presentation of both horse and handler.
- **Hunter Under Saddle** – The Hunter Under Saddle class aims to show the horse's movements between jumps. The Hunter Under Saddle horse must travel longer but still very evenly, rhythmically and calmly. The seat is more active, the stirrups shorter as for hunting. The pace is ground covering, the gait flat and smooth. The horse will have a far longer stride and as a result, be travelling faster, but it is the length of stride rather than speed which will be judged. Mandatory class requirements are walk, trot and canter each way around the arena on the rail. Reverse is asked for only from halt, walk, and trot. A backup is required. An extended trot or hand gallop can be requested.
- **Hunt Seat Equitation** – This is a riding class with a set pattern which changes for each show. The class is then required to work on the arena rail as per Hunter Under Saddle.

- **Western Horsemanship** - is a riding class with a set pattern which is changed for each show. The group will be asked to work around the arena 'on the rail' as for Western Pleasure.
- **Western Pleasure** – All riding for Western Pleasure classes is done with almost no contact with the Bit. The horse is obedient to the lightest lift' or touch of the rein against the neck and contact with the leg and seat. Class requirements are: Mandatory to go around the arena both ways at a walk, a jog, a lope. You may be asked to change direction from the halt, walk or jog only. You must back up when asked to. An extended jog may be asked for.
